Awards

May 2016 | United Nations
United Nations Refugee Problem and Solutions Project
Jan 2016 | FIRST
Programming Award in FIRST Lego Leauge (FLL) Regional Tournament

Experience

May 2025 - June 2025
Tav Technologies

Finance Intern

• I have gained experience in using Oracle at TAV Technologies and have developed proficiency in Excel through task-based applications in a corporate environment. Additionally, I had the opportunity to experience my first corporate job, where I acquired valuable skills in corporate communication

2017 - 2018
Ultimate Team

Team Leader

• Developed a project using Arduino to enhance the living conditions of horses affected by harsh carriage conditions. Participated in a competition organized by TTGV, one of Turkey's prominent organizations.

2016 - 2017
Moonlight FLL Team

Communications Manager

• Collaborated with a team to engage in meetings with large corporations for potential sponsorships, marking my first experience in corporate partnership development.
• Managed the team's social media accounts and led sponsorship efforts, coordinating communication with potential sponsors.
•Secured first place in a regional tournament, qualifying for the national competition.

Education

2022 - 2025
Bahçeşehir University — **Bachelor of Industrial Engineering**

2016 - 2021
Bahçeşehir High School — **Bahçeşehir Nakkaştepe Anatolian High School**
