Further Information

- **Group Leaders:** Prices above also apply to Group Leaders. Group Leader refers to a person who is travelling with a group of international students as their companion or chaperone.
- **Family/Dependents:** Same rates apply to family members/dependents travelling with international students.
- **How do I calculate the total cost?** Simply multiply the day rate by the duration of the trip (total number of days) by the number of students/group leaders/dependents. Daily rates are the same for individual students or groups and apply for both long and short stays. A minimum charge of 6 days applies.
- **How do I calculate the total cost of the Multirisk with Cancellation:** The cost of coverage greater than £7,500 is not calculated on daily basis, but based on the duration of coverage and the chosen cancellation limit.
- **What trips we insure: guard.me** policies are only available for academic purposes, internships and cultural trips for students travelling outside their country of residence.
- **Who we insure:**
    - International students travelling anywhere in the world for academic purposes and/or internships.
