Work Requested

1 x 4 Pump System
1 x Install kit
1 x 4 Pump extension kit

Work Completed

Job Description:

Install 1 x WL4 plus add-on module to Primer LS45

Work Completed:

Arrival Time: 09:51 Departure Time: 15:10 Installed a new WL6 to the Primer LS-45 and programmed it to match the other two 18kg washers, with an additional Rewash program that uses hypochlorite bleach as requested by the customer. Conducted test washes and all working well.
