Additional notes

- All dates and timestamps on the invoice are as per Coordinated Universal Time (UTC) timezone.
- Reverse charge supply: It is the responsibility of the customer to account to HMRC the VAT relating to goods or services on this invoice.
- The total amount shown on this invoice is VAT exclusive.
- To calculate the price of a marketplace app, the app's user tier and the billing cycle is matched with that of the host Atlassian product it's integrated with. In case an app integrates with more than one host products, the host product with the highest user tier is considered.
