LONDONIST DMC ACHIEVES KING'S AWARD FOR ENTERPRISE

Londonist DMC has been honoured with a **King's Award for Enterprise** for International Trade.

Londonist DMC is one of **197 organisations** nationally to receive this prestigious honour, announced today (Tuesday, 6 May). 199 awards have been made this year, with two companies recognised in two categories. This award recognises excellence in international trade and reflects our company's outstanding contributions to global student mobility.

Founded in **2013,** Londonist DMC is a **multi-award-winning student accommodation agency,** employing over 50 people and providing flexible short- and long-term housing across the UK. Alongside accommodation, we offer a full suite of student services, including airport transfers, laundry, cleaning, storage, and a dedicated Student Portal for discovering local experiences. Our innovative approach connects students, partners, and agencies through a seamless ecosystem of tools: the Londonist App, Partner Portal, Management Portal, and Ambassador App, all designed to enhance the student experience, streamline operations, and foster meaningful engagement. With offices in London, Istanbul, and Shanghai, we proudly serve students from over **170 countries** worldwide.

This honour, **based on the Prime Minister's recommendation** and **approved by His Majesty The King,** highlights Londonist DMC's international excellence and dedication to the student experience. We join the ranks of over **8,000 UK businesses** that have received this prestigious recognition since the awards began in **1965.**

Reflecting on this achievement, Managing Director **Asim Erturk** shared:
