TASSA
SETTING BEST PRACTICE

CERTIFICATE OF INSTALLATION

Thank you for having your system installed by a TASSA registered installer.

Your vehicle and system are now registered on the International Security Register (ISR).

Certificate Number:	**97644328**
Vehicle Registration Number:	**X777ADA**
Vehicle Identification Number:	**WBA22EN0X09P70157**
System:	**Ghost-II Immobiliser and Fingerprint**
Installation Company:	**TRACKER SHOP LTD**
Installer Number:	**0249**
Installation Date:	**20/03/2025**

If you have your registration (number) plate changed after your system installation, please go to www.tassa.pro to update your certificate of installation. There is an administration fee of £20+VAT to do this. You will need a copy of the inside page of your new V5C (showing the vehicle details) to complete this.

If you have any queries or feedback, please do not hesitate to contact us at: admin@tassa.pro
