Who **We Are**

Our vision is to be the **World's largest community** & **end-to-end platform** for global citizens. We build technology which will be **transformative** to the relocation experience.

– Lee Junxian, Moovaz CEO

Global **Movement**

5.7 million people relocating per year from 2015 to 2019*

Average of **US$25k spent** on a relocation journey per client

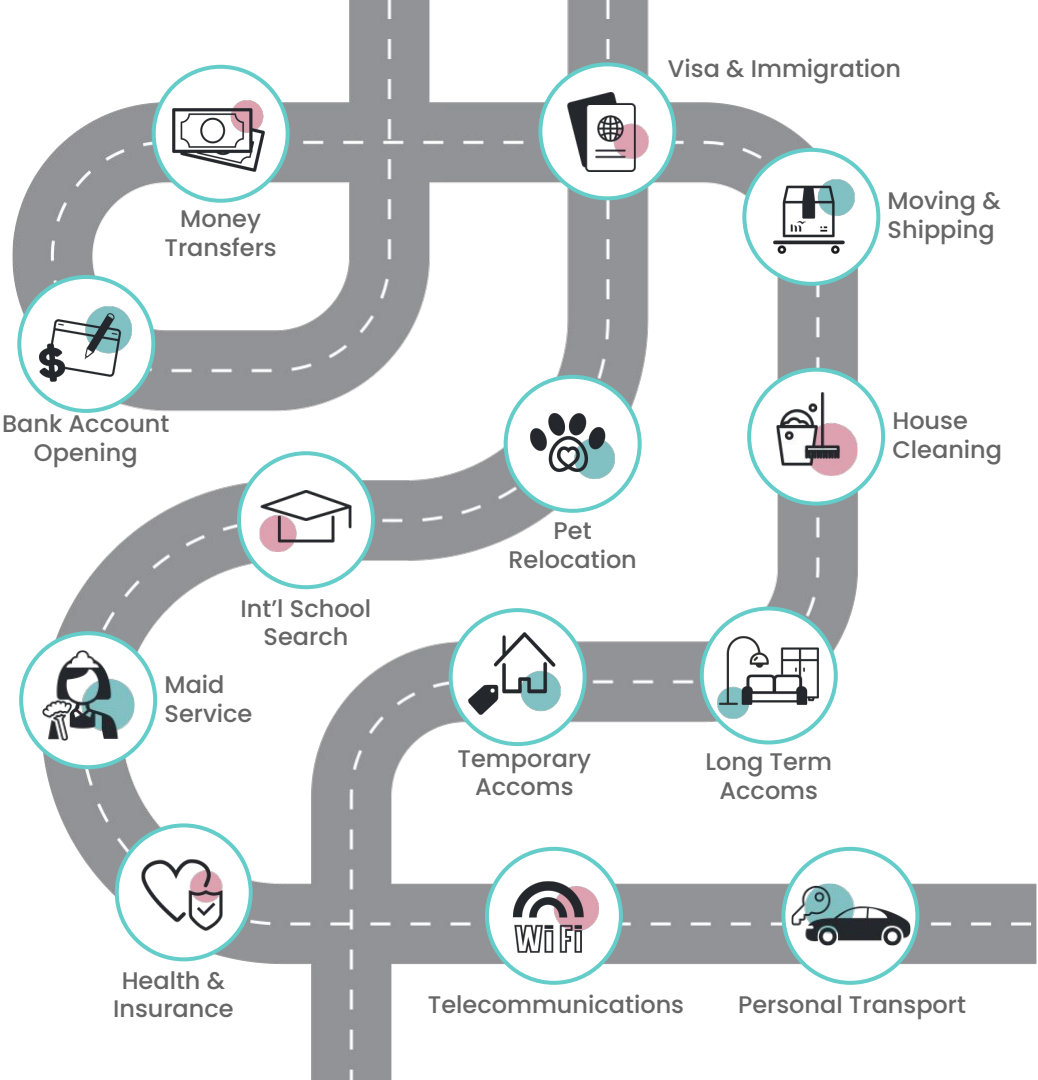

Average of **6 to 9 services** engaged throughout a relocation journey

*Adapted from World Migration Report 2020

The Relocation **Journey**

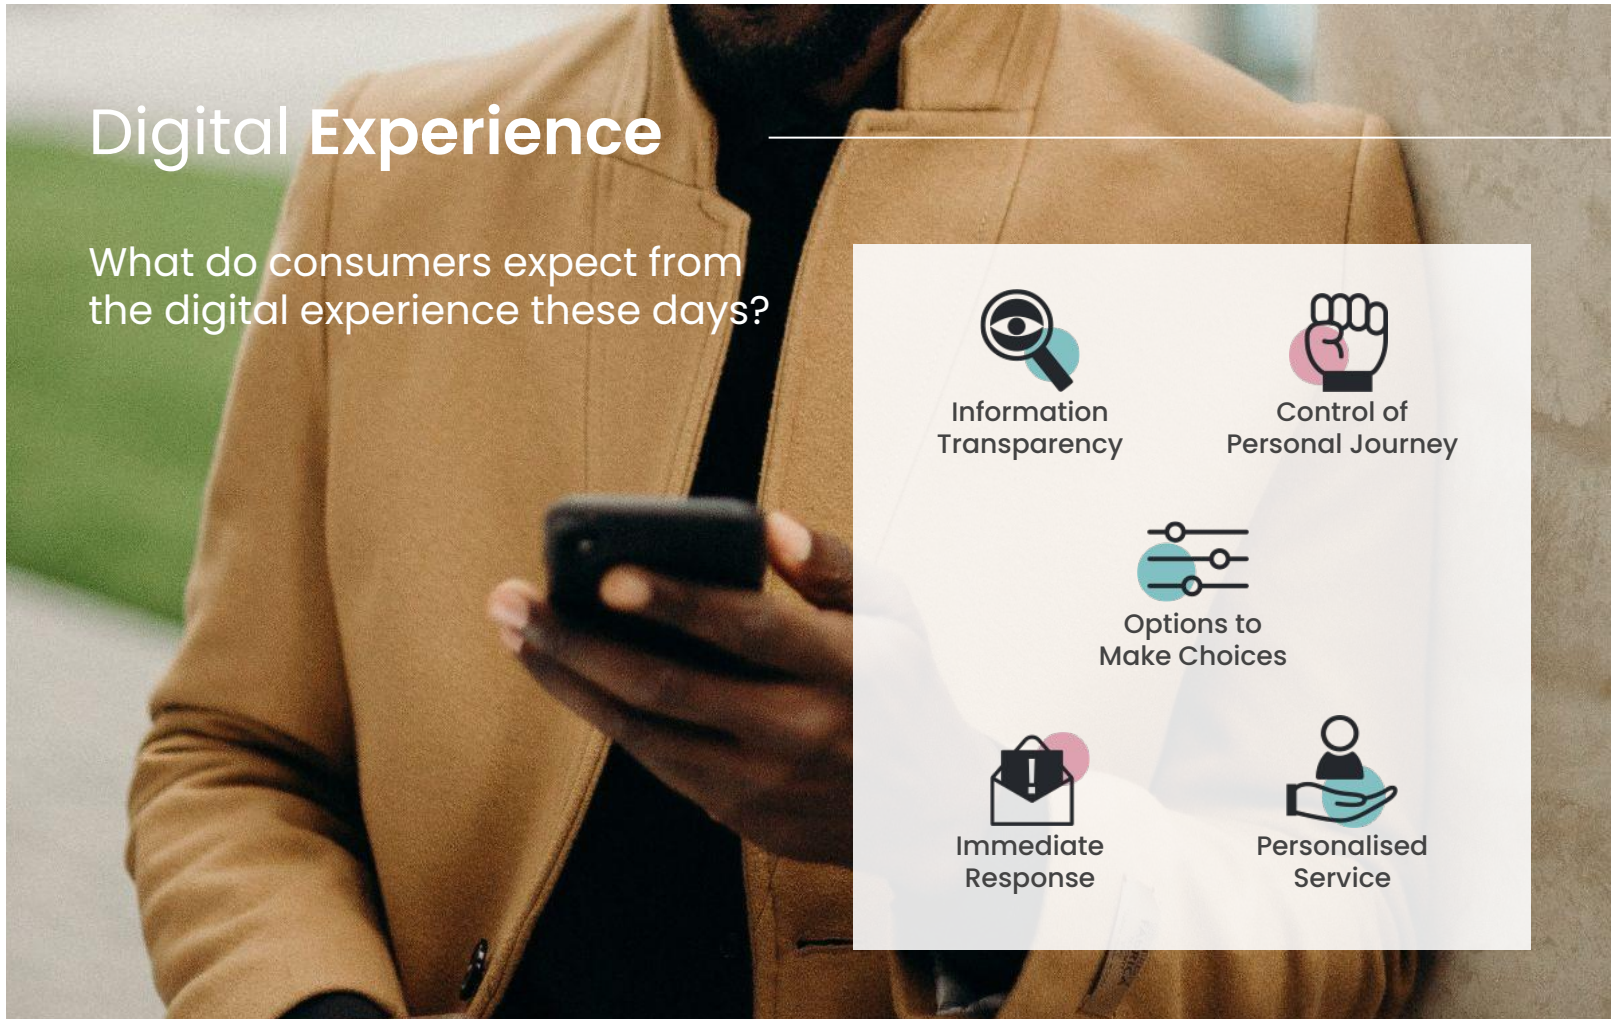

A typical relocation journey isn't linear, activities may happen concurrently, overlap each other or consequentially!

- Seasoned Global Citizen

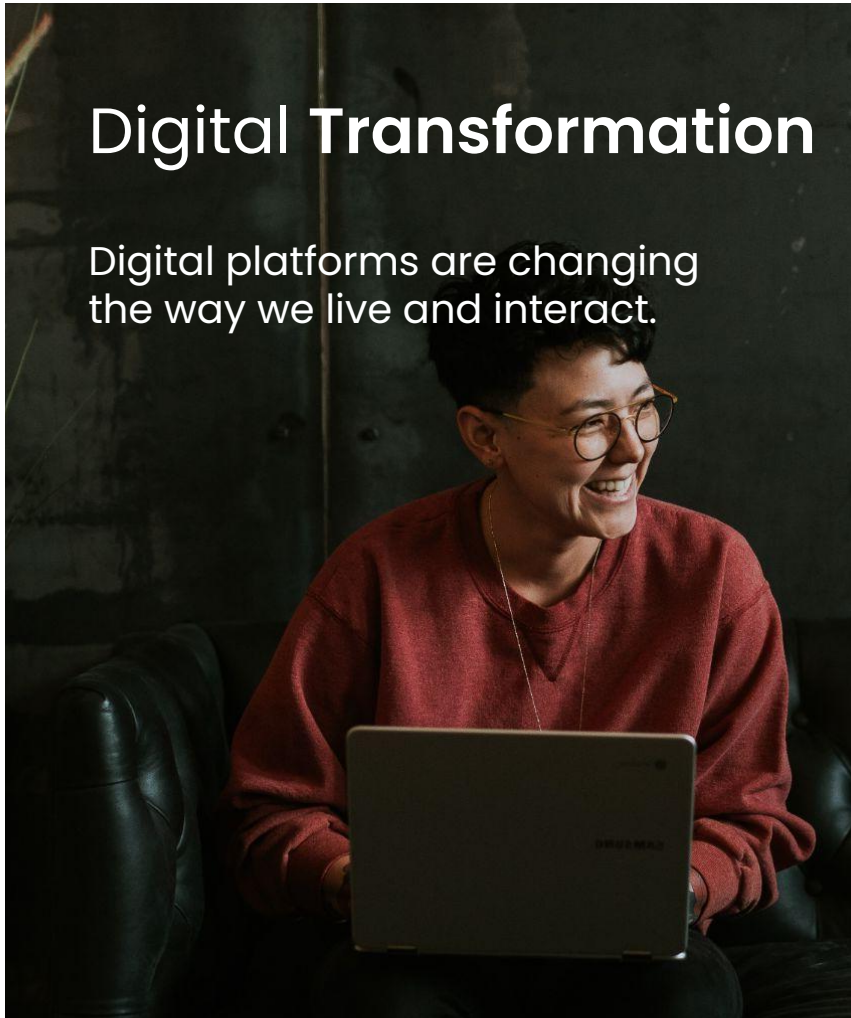

Digital **Experience**

What do consumers expect from the digital experience these days?

Digital **Transformation**

Digital platforms are changing the way we live and interact.

Uber Transportation	NETFLIX Media
deliveroo F&B	TESLA Automotive
Revolut Finance	MEDIGO Healthcare
ebay Commerce	Booking.com Hospitality

What Do Consumers **Want?**

One company
to settle all
relocation needs

One place
to handle
it all easily

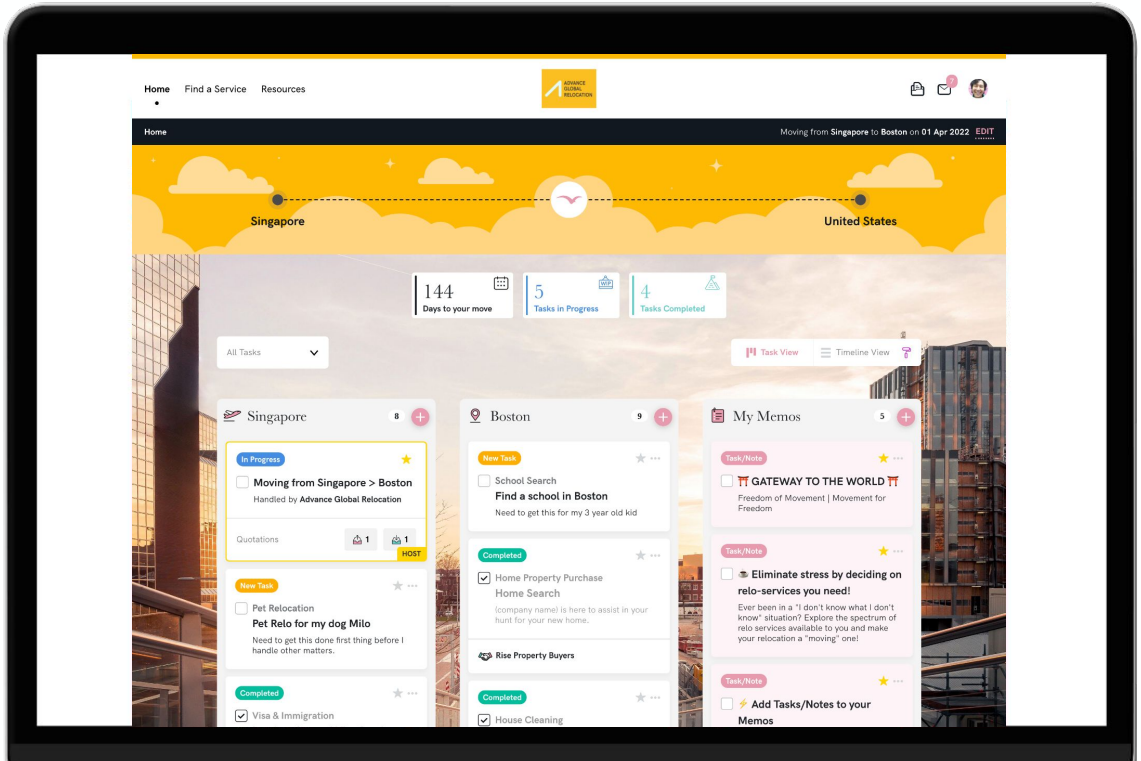

One source
for all
trusted services

The **Future**

Here’s How We Can
Change Your Business

Transforming **Your Business**

An **all-in-one** relocation management platform

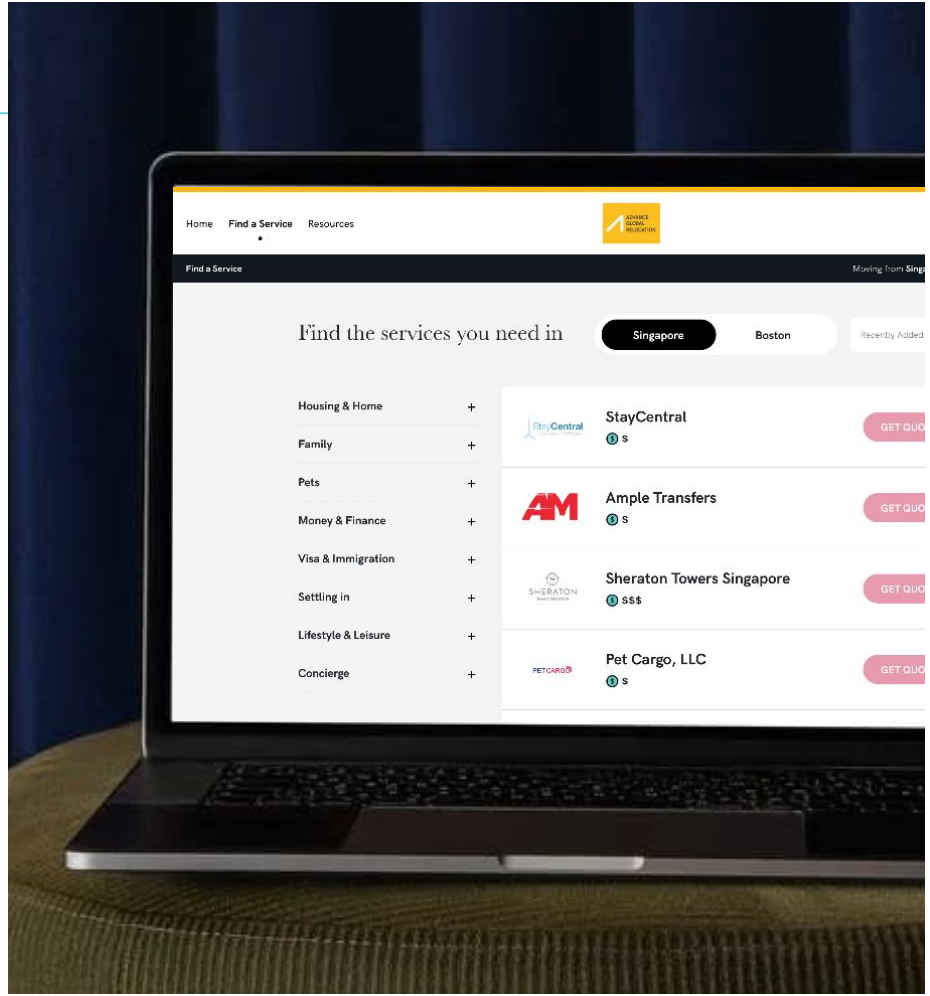

Platform **Vendor Flow**

Your business is listed as an **official vendor** on the relocation platform

Customers on other hosts' platform will make requests to you, as a vendor, for **quotes & service enquiries**

You conduct **sales discussions** with customers to close deals via the platform

Referral fee is paid to platform only upon successful conversion of deal

Relocation Buddy **Concierge**

As a high-touch business, technology & human interaction must come hand in hand. With our Relocation Buddy Concierge service, your customers:

- Have a dedicated relocation buddy throughout their journey
- Get assistance with usage of platform
- Can consult or get advice for their relocation needs

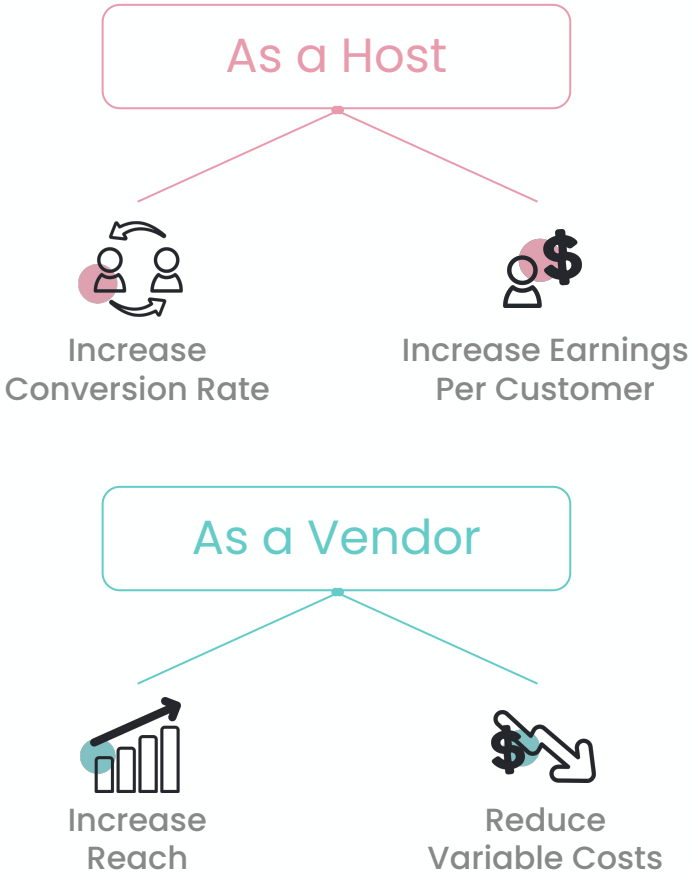

How Does This **Benefit You?**

Welcome to the
world of digitization

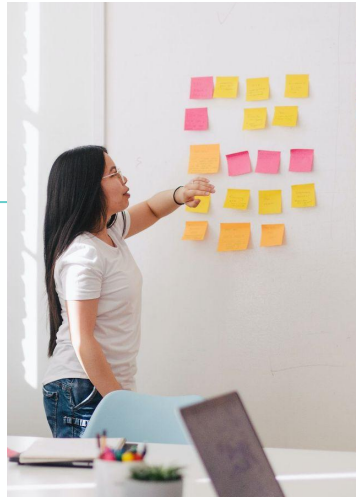

Advantages of Going **Digital**

We're living in a world of digitization. Make the most of it when you work with us as we go digital, no matter if you're a host or vendor.

Increase **Reach**

Increase your new lead generation sources from our ecosystem when you become a **vendor** with us. With host partners from various service verticals, you get to tap into a bigger relocation ecosystem.

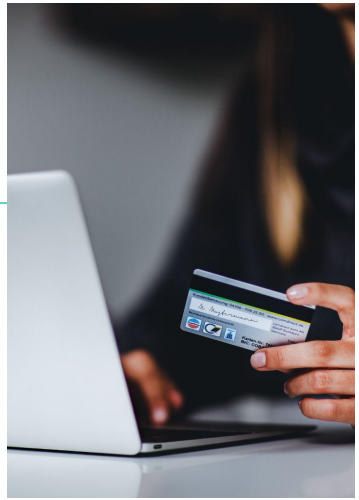

Get leads from different parts of the relocation journey

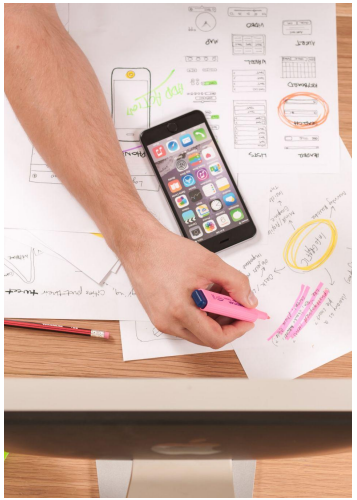

Open up inbound & outbound markets

Reduce
Variable Costs

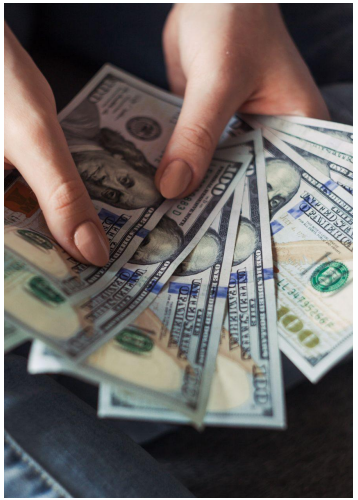

As a **vendor**, you only pay per successful conversion and cut down on your lead generation cost. Overall, you get to minimise your customer acquisition costs.

Increase lead generation organically
